

FLORIDA GULF COAST UNIVERSITY

Eagle EXPO

SPRING 2019

Welcome To The Nest

WELCOME TO FGCU and Eagle EXPO

▶ **8 a.m.** Welcome Tent opens in the Student Services Plaza

▶ **8:45 a.m.** Welcome and opening remarks on The Great Lawn

▶ **9:30 a.m.** Presentations begin at times/locations specified in program

COLLEGE DISPLAYS 9 a.m. - 1 p.m.

College of Arts and Sciences

Locations: Seidler Hall Atrium, Arts Complex, Music Building

Faculty and advisors will discuss the college's programs in the arts, humanities, justice studies, natural sciences and social sciences.

College of Education

Location: Merwin Hall Atrium

Explore the many rewarding careers in education. The College of Education's faculty, staff and academic advisors will share the pathways to becoming a Florida certified teacher, educational administrator, innovative learning designer, community leader and advocate for children and youth and other inspiring careers.

Lutgers College of Business

Locations: Lutgers Hall Atrium and Sugden Hall

College representatives in Lutgers Hall will discuss opportunities in the world of business. Resort and Hospitality Management and PGA Golf Management programs will be represented in Sugden Hall.

CAMPUS WALKING TOURS

Time: On-going from 9:30 a.m. - 12:30 p.m.

Location: Look for the large white tent on The Great Lawn Patio

Find out what it's like to be a student at FGCU on this guided tour.

DRIVING TOURS

Time: 9:30 a.m.-12:30 p.m. (The last tour bus will go out at 12:30 p.m. However, buses will run until 2 p.m. for pickups.)

Location: Bus loop near Cross Currents (big, colorful) sculpture in Student Services Plaza

Take a shuttle bus tour of campus to see Alico Arena, the Arts Complex and student housing at South Village and North Lake Village.

▶ **South Village:** Designed specifically for freshmen, South Village features suite-style single bedrooms, a large pool, SoVi dining and the First Year Residential Experience, which helps students successfully transition to independent college living. To visit South Village, take the shuttle to the RIGHT of the sculpture in the Student Services Plaza.

▶ **North Lake Village:** Transfer students should visit North Lake Village, which offers apartment-style single bedrooms, waterfront views of North Lake, an outdoor waterfront recreation area and tennis courts. To visit North Lake Village, take the shuttle to the LEFT of the colorful sculpture in the Student Services Plaza.

COLLEGE DISPLAYS *Continued*

Marieb College of Health & Human Services

Locations: Marieb Hall

Visit with college faculty, advisors and students to learn about programs such as athletic training, clinical laboratory science, health science, exercise science, nursing and social work.

SPECIAL PROGRAMS/PLACES

Registered Student Organizations

Location: The Great Lawn Patio

Members of Student Government and many other organizations will be available to talk with you about ways to get involved in campus life.

Research and Graduate Studies

Location: Student Services Plaza

Learn about the faculty-led research opportunities available for undergraduates - just one of the features that sets FGCU apart from other universities.

Honors College

Location: Student Services Plaza

Our Honors College offers unparalleled opportunities for superior students to pursue academic work that sparks their interests and challenges their abilities. Meet faculty and students involved in the Honors College to learn more.

The University Bookstore

Location: Cohen Center

The store, open 8 a.m. - 2 p.m., is the place to stock up on athletic apparel and other FGCU merchandise.

U.A. Whitaker College of Engineering

Location: Holmes Hall Lobby

Speak with engineering faculty and staff and take a look at the program's state-of-the-art classrooms and laboratories.

Library

Location: Library Building

This invaluable resource offers access to millions of books and journals, a 120-seat computer lab, group study rooms, audio/visual production labs and video viewing space as well as Starbucks.

Wasmer Art Gallery

Location: Arts Complex

View the current exhibit "Up Close and Unimaginable" by Cliff Evans and Gregory Green. This installation showcases panoramic animated collages and sculptural interpretations of the psychological toll violence imposes on everyday life.

West Lake Village

Location: Two miles north of campus

Apartment-style housing next to Gulf Coast Town Center with three- and four-bedroom furnished apartments is ideal for upperclassmen. Tours available 9:30 a.m. - 2:00 p.m.

(Transportation not available.)

PRESENTATION DESCRIPTIONS

For presentation times, see pages 4-5.

Admissions, You, & FGCU Are you interested in becoming an FGCU Eagle or do you know someone who is? Learn more about our awesome University, the admissions process/requirements, and strategies that are a slam dunk in making you an FGCU Eagle!

Art & Design: Your Future in a Creative Career The creative industry in the US is worth \$698 billion and employs 4.7 million people. The production of original, creative content is what artists and designers do. A BA in Art is a doorway to multiple possibilities and careers. Come see where your studies will lead you.

Build your network: Student Leadership in the College of Education In this student and advisor panel presentation you will explore all of the opportunities available to members of the student organizations Eagles Educate and Kappa Delta Pi (KDP). These organizations are primarily composed of education majors.

Charting Your Course: Pathways to Major Selection and Strategic Goal Setting Take the first step toward selecting your major, considering interests, abilities, values and other aspects of your personality when evaluating your choice of majors and careers.

Criminal Justice, Forensic Studies, or Legal Studies? Which do I choose? You know you want to major in something related to the legal system but aren't sure which area to go into? Come learn about the programs in The Department of Justice Studies and the vast array of internship opportunities you will have through these majors!

Engineering - Your Road to Success Learn the steps necessary to pave your way to a successful career in the engineering professions.

Entrepreneurial Living Community: You can live with students who have that same entrepreneurial mindset as you! Learn all about the benefits (automatic acceptance into the Runway Program) and perks (including priority class registration) of living in the Entrepreneurship Living Learning Community.

Exercise Science: Learn about the profession of Exercise Science From fitness to wellness this undergraduate degree will prepare you for a career to improve the lives of others or for entrance into Health Professions graduate degree programs.

Exploring Professional Nursing Learn about professional nursing programs at FGCU, with emphasis on the Bachelor of Science in Nursing (B.S.N.). Information provided will help you navigate the path to B.S.N. Program admission and discover the innovative curriculum that awaits you.

Financial Aid Money Matters A fast-paced synopsis of how the financial aid process works, the types of aid and scholarships available, eligibility criteria, how to apply, all with an emphasis on the fact that FGCU is affordable.

First Year Transition Tips for Success Learn helpful strategies for how to balance your academics with the other great opportunities that college presents, like campus resources, student involvement and social activities. Receive helpful pointers from student leaders and academic advisors!

The Honors College: Excelling In & Out of the Classroom Learn about FGCU's Honors College and its central features of scholarly advancement, cultural enrichment, community engagement and leadership development. You will learn how the Honors College prepares students for success at FGCU and beyond.

I Have No Idea What I'm Doing: Peer Mentoring for Personalized Support What kind of support will you have as a new Eagle? FGCU's academic peer mentoring programs offer tailored support systems for students of all majors, levels and backgrounds. Join us as we discuss how our Eagles soar higher with mentoring programs!

Innovation and Entrepreneurship at FGCU The session will cover the programs offered by the Institute for Entrepreneurship including the interdisciplinary, extra-curricular Runway Program Incubator, CEO Club, Entrepreneurship Major, and Entrepreneurship Minor.

Launching Academic Dreams: The Accelerated Collegiate Experience This program is designed for local high school freshmen, sophomores and juniors interested in advanced full-time scholarship at FGCU prior to high school graduation. We will review program expectations, application criteria and admission process.

Live and Learn in a Connected Community Regardless of your academic or professional interests, you can live with, attend some classes together and participate in faculty-led opportunities outside of the classroom with other students who share your goals. Plus, one of the great advantages of LLCs is receiving priority class registration!

Live the FGCU Life: Everything you need to know about FGCU Housing Learn about the three residential areas FGCU Housing and Residence Life has to offer and find out why most freshmen WANT to live on campus in our beautiful facilities!

Occupational Therapy @ FGCU: Helping People Live Life to Their Fullest! Please spend some time with us learning about the career of an occupational therapist and how it could be the best decision you will ever make! We will discuss what the OT program at FGCU can offer you and what it takes to be part of us.

Pathways to an Inspiring Career: Majors in the College of Education Learn how becoming an educator can transform the community. Discover how pursuing a major in education can prepare you for a meaningful and enjoyable career.

PGA Golf Management - Driving Toward a Successful Future (Begins at 10:15 a.m. & lasts 1 hour) Learn about limited admission, golf course access, 100% job placement, great internships, tournaments, awesome Swing Lab technology and mentorship provided to all students!

Physical Therapy - Achieving the Doctor of Physical Therapy Learn about one of FGCU's most competitive programs and why students find our hybrid problem-based curriculum model very effective in promoting life-long active learning skills.

The Political Science Major: A History of Success & a Great Future Interested in politics, public policy and law? Find out about FGCU's Political Science degree program including its outstanding record of student success, career options for its graduates and pre-law study.

Pre-Eagle Soar Plan: Pursuing Health & Human Services Majors Do you have a Pre-Eagle Soar Plan? This session will assist you in preparing for a successful academic transition into the Marieb College of Health & Human Services. Learn about the importance of academic planning, expectations, milestones and limited access programs.

Prepare to Inspire: Getting Ready for Admission into the College of Education College of Education Academic Advisors will discuss admissions requirements for programs designed to prepare students to become certified teachers in Florida, serve as educational leaders, or become advocates for children, youth and families.

The Proposed Construction Management Program Are you interested in Construction Management? Learn more about our proposed degree program and what courses are included in the curriculum.

Public Health Degree: A Brief Overview and Career Options This session will introduce students to the broad concepts of public health, the role public health professionals play in the society and career options after graduating with a public health degree.

So You Want to Earn a Doctorate? How to Prepare for Professional Schools & Careers Whether you have interest to become an M.D., D.O., pharmacist, P.A., dentist or veterinarian, this presentation will provide information to help you prepare for professional schools. It will review the most accepted majors, required courses and answer questions. It will also give insight into the accelerated medical education program at FGCU.

Soar in 4: A Flight Plan to Your First-Year Tuition Rebate & 4-Year Graduation Come learn how students can earn back out-of-pocket tuition costs for the first year, while utilizing University resources that will allow for timely graduation and successful employment after graduation.

Social Work: Inspiring Today & Improving Tomorrow Social work is a rapidly growing profession on a national level. This session will provide an overview of the academic social work programs offered at FGCU and touch upon the many career paths one can choose as a professional social worker.

Student Life at FGCU: Creating a Place You Call "Home" Students who connect to the University through campus involvement are more likely to have a positive University experience and persist to graduation. Join the Assistant VP for Campus Life/Dean of Students along with a variety of student leaders for this dynamic panel discussion. Hear candid advice from students on how they have created a "home" at FGCU and are navigating their own journeys toward graduation. Don't miss it!

Success Matters! Academic Support at FGCU Learn how the Center for Academic Achievement can help you achieve your academic success goals through our targeted and engaging services designed to address your individual needs.

Teaching Adventures Abroad Is travel in your bones? Do you like exploring cobblestone streets? Eating exotic foods? Meeting friendly people of all ages? Then our Study Abroad Student Teaching Opportunity is for you! Join us for information and a taste of Eastern Europe.

Theatre for Fun and Money! Learn how YOU can participate in FGCU theatre as a major, minor, or otherwise interested student. Following an info session, we will host scholarship auditions (acting) and portfolio reviews (technical theatre). For more, contact dbcalzo@fgcu.edu

We Mean Business! Capitalize on Your Opportunities Come explore our strengths and opportunities as we provide an overview of the Lutgert College of Business accreditation, traditional business majors and minors and college resources that foster student success.

Where Eagles Soar - Careers in Resort & Hospitality Business Operations This presentation covers program core requirements, available concentrations, internship requirements, career pathways and placement opportunities available to successful graduates of FGCU's Resort & Hospitality Management program.

You don't have to be a Music Major to be a Musician The presentation will bring to light many of the music opportunities the Bower School of Music has to offer both Music Majors and Non-Music Majors.
