*****No student will be permitted to enroll in any courses within the major until he/she has gained admission to one of the state-approved education programs/majors. The state-approved programs are: Early Childhood Education, Elementary Education, Secondary Social Science, Secondary Mathematics, Secondary Biology, and Special Education.**

Applications for admission to the program will be reviewed at the following times:

March 15	Fall Admit
June 15	Fall Admit
October 15	Spring Admit

I understand that once admitted into an FGCU College of Education undergraduate state-approved program I will have requirements and criteria to meet in order to remain in the program. Information regarding these requirements are provided in the FGCU course catalog and on the COE website. I further understand I am responsible for notifying the FGCU COE of any changes in my desired certification area and that this will require a change of major, a consultation with my academic advisor, and may result in adding additional coursework.

I have read the admission criteria for state-approved programs for the FGCU College of Education and understand them.
