

Pamela St. Laurent EdD, MT(ASCP)

Marieb College of Health and Human Services
10501 FGCU Blvd. So.
Ft. Myers, FL 33965
239-590-7452

EDUCATION:

- June 2012 **Nova Southeastern University**, Ft. Lauderdale, FL
Ed.D in Healthcare Education with a minor in Adult Education
*Dissertation: "Determining the Effect of an Interdisciplinary
Science Course on Critical Thinking"*
GPA; 4.0/4.0
- May 2008 **University of Central Florida**, Orlando, FL
Ed.S in Curriculum and Instruction
GPA: 4.0/4.0
- May 2005 **Florida Gulf Coast University**, Ft. Myers, FL
M.S. in Health Science with a Concentration in Health
Professions Education
GPA: 4.0/4.0
- May 1981 **Notre Dame College**, Manchester, NH
B.S in Medical Technology
GPA: 3.4/4.0

TEACHING EXPERIENCE:

2010-Present **FLORIDA GULF COAST UNIVERSITY, FT. MYERS, FL**
Instructor 1/Academic Coordinator of Clinical Education in
Marieb College of Health and Human Services, Department of Health
Sciences, Clinical Laboratory Science Program. Courses taught by semester:

Summer 2020: Diagnostic VMP MLS 4462
Management and Leadership in Healthcare IHS 3203 (2 sections)

Spring 2020: Management and Leadership in Healthcare IHS 3203 (2 sections)
Hematology/Hemostasis MLS 4308
Diagnostic Microbiology MLS 4404
Senior Seminar IHS 4938
Responsibilities in addition to teaching courses:
Developed a new Parasitology component of VMP due to new
textbook adoption
Constructed new practicum exams for Microbiology, Hematology,

and Immunology

Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors

Provided laboratory directors/supervisors with student Evaluations for each clinical rotation

Provided students with Competency Checklists for each clinical rotation

Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience

Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus

Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams.

Fall 2019: Management and Leadership in Healthcare IHS 3203 (2 sections)

Research Methods in HealthCare IHS 4504

Senior Seminar IHS 4938

Clinical Immunology MLS 4505

Responsibilities in addition to teaching courses:

Revised course content of Hematology/Hemostasis (MLS 4803) because of new textbook adoption.

Participated in the 4-week 'wet' lab for new CLS students

Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors

Provided laboratory directors/supervisors with student Evaluations for each clinical rotation

Provided students with Competency Checklists for each clinical rotation

Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience

Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus

Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Summer 2019: Diagnostic VMP MLS 4462

Management and Leadership in Healthcare IHS 3203 (2 sections)
Responsibilities in addition to teaching course:
Collaborate with Karen Landy on revision of Senior Seminar IHS 4938

Spring 2019: Management and Leadership in Healthcare IHS 3203 (2 sections)
Hematology/Hemostasis MLS 4308
Diagnostic Microbiology MLS 4404
Senior Seminar IHS 4938
Responsibilities in addition to teaching courses:
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams.

Fall 2018: Management and Leadership in Healthcare IHS 3203 (3 sections)
Research Methods in HealthCare IHS 4504
Senior Seminar IHS 4938
Clinical Immunology MLS 4505
Responsibilities in addition to teaching courses:
Participated in the 4-week 'wet' lab for new CLS students
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus

Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Summer 2018: Diagnostic VMP MLS 4462
Management and Leadership in Healthcare IHS 3203 (2 sections)
Responsibilities in addition to teaching course:
Collaborate with Karen Landy on revision of Senior Seminar IHS 4938

Spring 2018: Management and Leadership in Healthcare IHS 3203 (2 sections)
Hematology/Hemostasis MLS 4308
Diagnostic Microbiology MLS 4404
Senior Seminar IHS 4938
Responsibilities in addition to teaching courses:
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams.

Fall 2017: Management and Leadership in Healthcare IHS 3203 (2 sections)
Research Methods in HealthCare IHS 4504
Senior Seminar IHS 4938
Clinical Immunology MLS 4505
Responsibilities in addition to teaching courses:
Participated in the 4-week 'wet' lab for new CLS students
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation

Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Summer 2017: Diagnostic VMP MLS 4462
Management and Leadership in Healthcare IHS 3203 (2 sections)
Responsibilities in addition to teaching courses:
Develop new Research Methods in HealthCare course due to new textbook adoption
Develop new Clinical Immunology course due to new textbook adoption

Spring 2017: Management and Leadership in Healthcare IHS 3203 (2 sections)
Hematology/Hemostasis MLS 4308
Diagnostic Microbiology MLS 4404
Senior Seminar IHS 4938
Responsibilities in addition to teaching courses:
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Fall 2016: Management and Leadership in Healthcare IHS 3203 (3 sections)
Research Methods in HealthCare IHS 4504

Clinical Immunology MLS 4505

Responsibilities in addition to teaching courses:

Participated in the 4-week 'wet' lab for new CLS students

Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors

Provided laboratory directors/supervisors with student Evaluations for each clinical rotation

Provided students with Competency Checklists for each clinical rotation

Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience

Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus

Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Summer 2016: Diagnostic VMP MLS 4462
Management and Leadership in Healthcare IHS 3203 (2 sections)

Spring 2016: Management and Leadership in Healthcare IHS 3203 (2 sections)
Clinical Immunology MLS 4505
Diagnostic Microbiology MLS 4404
Coordinate HSA 6942 student internship placement
Responsibilities in addition to teaching courses:
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from

Evaluations. Competency Checklists, and Practicum Exams

Fall 2015:

Hematology/Hemostasis MLS 4308
Management and Leadership in Healthcare IHS 3203 (2 sections)
Research Methods in HealthCare IHS 4504
Health Service Administration Internship HSA 6942
Responsibilities in addition to teaching courses:
Participated in the 4-week 'wet' lab for new CLS students
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations. Competency Checklists, and Practicum Exams

Summer 2015:

Diagnostic VMP MLS 4462
Management and Leadership in Healthcare IHS 3203 (2 sections)
Health Service Administration Internship HSA 6942
Responsibilities in addition to teaching courses:
Participated in 4 week "wet" lab experience for new students admitted into the Clinical Laboratory Science Program
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be

administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Spring 2015: Diagnostic Microbiology MLS 4404
Clinical Immunology MLS 4505
Management and Leadership in Healthcare IHS 3203
Research Methods in HealthCare IHS 4504
Health Service Administration Internship HSA 6942
Responsibilities in addition to teaching courses:
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Fall 2014: Hematology/Hemostasis MLS 4308
Management and Leadership in Healthcare IHS 3203 (2 sections)
Research Methods in HealthCare IHS 4504
Health Service Administration Internship HSA 6942
Responsibilities in addition to teaching courses:
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical

rotation

Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience

Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus

Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Summer 2014: Diagnostic VMP MLS 4462

Management and Leadership in Healthcare IHS 3203

Health Service Administration Internship HSA 6942

Responsibilities in addition to teaching courses:

Participated in 4 week "wet" lab experience for new students admitted into the Clinical Laboratory

Science Program

Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors

Provided laboratory directors/supervisors with student Evaluations for each clinical rotation

Provided students with Competency Checklists for each clinical rotation

Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience

Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus

Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Spring 2014: Diagnostic Microbiology MLS 4404

Clinical Immunology MLS 4505

Management and Leadership in Healthcare IHS 3203 (2 sections)

Health Service Administration Internship HSA 6942

Responsibilities in addition to teaching courses:

Participated in 4 week "wet" lab experience for new students admitted into the Clinical Laboratory

Science Program

Kept site visit log of distant affiliate sites (document problems,

issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations For each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exam

Fall 2013:

Hematology/Hemostasis MLS 4308
Management and Leadership in Healthcare IHS 3203
Senior Seminar IHS 4938
Health Service Administration Internship HSA 6942
Hematology Practicum MLS 4822C
Clinical Immunohematology Practicum MLS 4823C
Responsibilities in addition to teaching courses:
Participated in 4 week "wet" lab experience for new students admitted into the Clinical Laboratory Science Program
Weekly site visits for all practicum students (until October, 2013)
Kept site visit log of distant affiliate sites (document problems, issues, and experiences with current students) with supervisors and clinical instructors
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students' grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exam

Summer 2013: Diagnostic VMP MLS 4462
Health Service Administration Internship HSA 6942
Responsibilities in addition to teaching courses:
Weekly site visits for local practicum students
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Spring 2013: Diagnostic Microbiology MLS 4404
Clinical Immunology MLS 4505
Management and Leadership in Healthcare IHS 3203
Health Service Administration Internship HSA 6942
Clinical Microbiology Practicum MLS 4821C
Clinical Immunology Practicum MLS 4826
Responsibilities in addition to teaching courses:
Weekly site visits for local practicum students
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from

Evaluations. Competency Checklists, and Practicum Exams

Fall 2012: Hematology/Hemostasis MLS 4308
Management and Leadership in Healthcare IHS 3203
Senior Seminar IHS 4938
Health Service Administration Internship HSA 6942
Hematology Practicum MLS 4822C
Clinical Immunohematology Practicum MLS 4823C
Responsibilities in addition to teaching courses:
Weekly site visits for local practicum students
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations. Competency Checklists, and Practicum Exams

Summer 2012: Diagnostic VMP MLS 4462
Health Service Administration Internship HSA 6942
Responsibilities in addition to teaching courses:
Weekly site visits for local practicum students
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Spring 2012: Diagnostic Microbiology MLS 4404
Clinical Immunology MLS 4505
Management and Leadership in Healthcare IHS 3203
Health Service Administration Internship HSA 6942
Clinical Microbiology Practicum MLS 4821C
Clinical Immunology Practicum MLS 4826
Responsibilities in addition to teaching courses:
Weekly site visits for local practicum students
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exam

Fall 2011: Hematology/Hemostasis MLS 4308
Health Service Administration Internship HSA 6942
Hematology Practicum MLS 4822C
Clinical Immunohematology Practicum MLS 4823C
Responsibilities in addition to teaching courses:
Weekly site visits for local practicum students
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical

rotations at laboratories near FGCU. Exams were administered on campus

Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exam

Summer 2011: Diagnostic VMP MLS 4462

Health Service Administration Internship HSA 6942

Responsibilities in addition to teaching courses:

Weekly site visits for local practicum students

Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory

Science Program

Provided laboratory directors/supervisors with student Evaluations for each clinical rotation

Provided students with Competency Checklists for each clinical rotation

Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience

Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus

Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading

Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Spring 2011: Diagnostic Microbiology MLS 4404

Clinical Immunology MLS 4505

Health Service Administration Internship HSA 6942

Clinical Microbiology Practicum MLS 4821C

Clinical Immunology Practicum MLS 4826

Responsibilities in addition to teaching courses:

Weekly site visits for local practicum students

Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory

Science Program

Provided laboratory directors/supervisors with student Evaluations for each clinical rotation

Provided students with Competency Checklists for each clinical rotation

Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience

Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Sent practicum exams to distant affiliate contacts so exams could be administered and returned for grading
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams

Fall 2010: Immunology Practicum (MLS 4823) shared with Clinical Laboratory Science Program Director
Hematology Practicum (MLS 4822) shared with Clinical Laboratory Science Program Director
Weekly site visits for local practicum students
Participated in 4 week “wet” lab experience for new students admitted into the Clinical Laboratory Science Program
Provided laboratory directors/supervisors with student Evaluations for each clinical rotation
Provided students with Competency Checklists for each clinical rotation
Received Evaluations and Competency Checklists and calculated students’ grades for this portion of the practicum experience
Administered practicum exams to students who finished clinical rotations at laboratories near FGCU. Exams were administered on campus
Graded all student practicum exams and calculated final practicum grades for all students. Grades were calculated using scores from Evaluations, Competency Checklists, and Practicum Exams
Coordinate students’ didactic and practicum experiences
Evaluate existing Clinical Laboratory Science curricula on a continual basis

2005-2010
2005-2007

FLORIDA GULF COAST UNIVERSITY, FT. MYERS, FL
ACADEMIC SUPPORT/LABORATORY MANAGER in
College of Health Professions

- Assisted in setting up equipment and supplies used in Anatomy and Physiology I and II Laboratories
- Health Educator- Kleist Health Education Center
Taught age appropriate curriculum to K-12 students from Lee, Collier and Charlotte counties

2005-2010

FLORIDA GULF COAST UNIVERSITY, FT. MYERS, FL
HEALTH EDUCATOR at the Kleist Health Education Center in
College of Health Professions

- Taught age and grade level appropriate curriculum to K-12 students from Lee, Collier and Charlotte counties
- Revised and updated existing curriculum for K-12 students
- Designed age and grade level appropriate curriculum to K-12 students from Lee, Collier and Charlotte counties
- Supervised student intern

2005-2007 **FLORIDA GULF COAST UNIVERSITY, FT. MYERS, FL**
ADJUNCT PROFESSOR in College of Professional Studies
 Taught Forensic Microscopy I CHS 3505C

2007-2010 **FLORIDA GULF COAST UNIVERSITY, FT. MYERS, FL**
ADJUNCT PROFESSOR
 Taught Diagnostic VMP MLS 4405

2007-2010 **FLORIDA GULF COAST UNIVERSITY, FT. MYERS, FL**
ADJUNCT PROFESSOR
 Taught Diagnostic Microbiology MLS 4462

CERTIFICATION AND LICENSURE:

1998-present Florida Board of Clinical Laboratory Personnel Technologist licensure in Microbiology, Serology, Molecular Pathology, Hematology, Immunohematology, Clinical Chemistry (TN 35803)

1986-present ASCP Certification as a Medical Technologist in all disciplines of the Clinical Laboratory (Certification Number 172135)

HONORS AND AWARDS:

Lucas Center Innovative Design Grant Award for QEP: Redesigning a Literature Review (Fall, 2016)

Lifetime Membership Delta Epsilon Iota Honor Society

Lifetime Membership Phi Kappa Phi Honor Society

OTHER PROFESSIONAL EXPERIENCE:

1998-2004 **DIAGNOSTIC SERVICES INCORPORATED**
LABORATORIES, FT. MYERS, FL
Microbiology Technologist

- Processing and interpretation/evaluation of Bacteriology, Mycology smears and cultures
- Processed and evaluated specimens for Parasitology
- Maintained quality control of instrumentation (BacTAlert and Vitek)
- Provided local health departments with information regarding patients with reportable infectious diseases
- Instruction and guidance of Florida Gulf Coast University Students throughout their clinical practicum experiences

1986-1998

**UNIVERSITY of MASSACHUSETTS/MEMORIAL
HEALTHCARE SYSTEM, WORCESTER, MA**

Microbiology Technologist

- Processing and interpretation/evaluation of Bacteriology, cultures
- Processed and evaluated specimens for Parasitology
- Maintained quality control of instrumentation (BacTAlert and Vitek, Dynatech, and Septicheck)
- Instruction and guidance of University residents, fellows, and medical students during their clinical laboratory training and rotation.

PROFESSIONAL ASSOCIATIONS:

- Member of American Society of Clinical Pathologists (1986—present)
- Member ASCLS (2014—present)
- American Society for Microbiology (2014—present)

PRESENTATIONS:

- Presentation at Lucas Center Symposium “Teaching and Assessing Critical Thinking” Spring, 2019
- Presentation at Curricula for the 21st Century “Benefit of Point of Care Analyzers: An Opportunity for Interdisciplinary Education” January 24, 2018
- Lucas Center Innovative Design Grant: Redesigning a Literature Review (Fall, 2016)
- Healthcare Horizons and Opportunities Conference (April 29, 2014). Presented aspects of laboratory medicine to area high school Medical Academy students. Hodges University, Naples, Florida
- Presentation at Curriculum for the 21st Century “Addressing the Need for Phlebotomy Education”, January, 2013
- Healthcare Horizons and Opportunities Conference April 27, 2012. Presented aspects of laboratory medicine to area high school Medical Academy students. Hodges University, Naples, Florida
- Healthcare Horizons and Opportunities Conference April 29, 2011. Presented aspects of laboratory medicine to area high school Medical Academy students. Hodges University, Naples, Florida

FGCU INSTITUTIONAL SERVICE:

2012—present	Member of Library Committee
2013—2019	Member Academic Integrity Committee
2013—2019	Member of Student Conduct Committee
2013 Fall	Student Support Services Orientation
2014 Fall	Student Support Services Orientation
2015 Fall	Student Support Services Orientation

2015 Research Day Juror
2016 Research Day Juror

FGCU MCHHS DEPARTMENT OF HEALTH SCIENCES SERVICE:

2010—present Member of the Clinical Laboratory Sciences Advisory Committee
2010—present Member of MCHHS Health Science Faculty
2014—2015 Continuous handling of prospective calls and meetings for CLS Department
 Advising.

FGCU MCHHS COLLEGE SERVICE:

2012—present Member of Bylaws Committee
2010—2016 Member of the Clinical Affairs Committee
2010—present Member of the MCHHS Faculty Council
2012—2014 Member of Undergraduate and Graduate Curriculum Committee
2014—2015 Composed an article for the Department of Health Sciences Newsletter
2015, 2017 Healthy Communities Classroom—Poster Judge
2017—present MCHHS-QEP Writing Guide

COMMUNITY INVOLVEMENT:

2020 Eagle Expo (Spring)
2019 Eagle Expo (Spring)
2018 Eagle Expo (Spring)
2017 Eagle Expo (Spring)
2016 Eagle Expo (Spring)
2015 Eagle Expo (Fall)
2015 Eagle Expo (Spring)
2014 Eagle Expo (Fall)
2014 Eagle Expo (Spring)
2013 Eagle Expo (Fall)
2013 Eagle Expo (Spring)
2012 Eagle Expo (Fall)
2012 Eagle Expo (Spring)
2012 Textbook Review (Summer): Clinical Laboratory Hematology 3rd edition. Pearson
 publishing
2011 Eagle Expo (Fall)
2011 Eagle Expo (Spring)
2010 Eagle Expo (Fall)
2010 Graduate Studies Fair (Fall)

PROFESSIONAL DEVELOPMENT:

February 2020: Completed Anderson continuing education credits (24) for Florida CLS license
 renewal in August, 2020.

February, 2020: Attended CLEC in Orlando, FL.

April, 2019: ASCLS Webinar: “Different Technologies for Counting Cells in Body Fluids”

April 2019: ASCLS Webinar: “Clinical Utility of Immature Platelet Parameters”

April 2019: ASCLS Webinar: “Unusual Cases: Bridging Hematology and Flow Cytometry”

Fall, 2019: FGCU Environmental Health & Safety Training

February, 2018: Completed Anderson continuing education credits (24) for Florida CLS license renewal in August, 2018.

November 2018: ASCLS Webinar: “Demystifying NAACLS’ Accreditation/Approval Process”

Fall, 2018: FGCU Environmental Health & Safety Training

Fall, 2017: FGCU Environmental Health & Safety Training

March, 2016: Completed Anderson continuing education credits (24) for Florida CLS license renewal in August, 2016.

Fall, 2016: FGCU Environmental Health & Safety Training

Fall, 2015: FGCU Preventing Discrimination and Sexual Violence: Title IX, VAWA, and Clery Act for Faculty and Staff

Fall, 2015: FGCU Discrimination and Harassment Prevention for Higher Education

Fall, 2015: Sysmex Webinar:” Beyond the CBC Report: Extended Laboratory Testing in the Evaluation of Leukemia/Lymphoma”

Fall, 2015: CDC Webinar: “Next Generations Sequencing in Clinical Microbiology and Public Health Laboratories: Opportunities and Challenges”

Fall, 2015: Public Health Foundation Webinar: “Applications of Telemedicine in Diagnostic Parasitology”

Fall, 2015: ADVANCE Webinar: “Diagnosis and Management of Sepsis”

Fall, 2015: FGCU Environmental Health & Safety Training

Spring, 2015: Academic Portfolio Workshop

April, 2015: WPA: Preventing Discrimination and Sexual Violence: Title IX, VAWA, and Clery Act for Faculty and Staff

April, 2015: WPA: Sexual Violence Awareness and Prevention for Campus Officials and Investigators

Spring, 2015: Canvas SPoI Training

Spring 2015: Canvas: Quizzes and Surveys

Spring 2015: Canvas: Rubrics and Turnitin

Spring 2015: Attended CLS Conference: Curricula for the 21st Century

April, 2015: Advance Webinar “The Molecular Stool Revolution, Part 2: Implementing Molecular Stool Testing in the Clinical Laboratory”

January, 2015: Advance Webinar “Molecular and Clinical of Group A Streptococcal Pharyngitis in Children

Fall 2014; Canvas Rubrics and Turnitin

November, 2014: ASCLS Webinar: “Current Trends and Emerging Technologies in Phlebotomy”

November 2014: ASCLS Webinar: “Epigenetic Complications in Myeloproliferative Neoplasms”

October, 2014: ASCLS Webinar: “Transfusion Reactions”

October, 2014: ASCLS Webinar: “What’s Going on in Coag”

September, 2014: Canvas Rubrics and Turnitin Training

September, 2014: Environmental Health and Safety Lab Personnel Training

- September, 2014: ASCLS Webinar: “Evaluation of Leukocytes”
- September, 2014: ASCLS Webinar: “Developing a Quality Dashboard”
- July, 2014: Advance Webinar “Routine Detection of *Cryptosporidium*, *Giardia*, and *E. histolytica* in a Modern Microbiology Laboratory”
- May, 2014: Collaborative Institutional Training Initiative (CITI)
- May, 2014: Advance Webinar “Keeping up with an Evolving Pathogen...Are *mecA* Genes the Only reason for MRSA?”
- May, 2014: Advance Webinar “Laboratory Detection of Carbapenem Resistant Organisms—The Emerging Role of Molecular Assays to Define Carbapenemase Producers”
- May, 2014: Completed Anderson continuing education credits (24) for Florida CLS license renewal in August, 2014.
- May, 2012: Completed Anderson continuing education credits (24) for Florida CLS license renewal in August, 2012.
- May, 2010: Completed Anderson continuing education credits (24) for Florida CLS license renewal in August, 2010.
