Dive

As you journey through Florida Gulf Coast University,

I encourage you to take a dive into diversity.

*Through that, you'll find love from people
in whom you wouldn't even think to seek.*

*People of different status and stature,
ability and physique.*

*You will find relief
in arms that don't share your belief.*

*You will gain understanding
that surpasses the surface.*

*From those of different economic standing,
background and birthplace.*

*And, in this,
you will realize, like colors on a canvas,
diversity adds beauty to our campus.*
