Honors Contract Proposal Evaluation Rubric

Criteria	Criteria Met?	Comment
Project activities are directly linked to identified outcomes with a sufficient level of detail.	Y N	
The proposal demonstrates specifically how the project goes beyond the standard requirements for the course	Y N	
The proposal places the Contract project within the context of the larger course	Y N	
The project encourages increased complexity, depth/breadth of knowledge and skills, rather than just lengthening an existing assignment	Y N	
The project is of reasonable rigor and size to merit the requested hours of Honors credit	Y N	
The project's scope is clearly explained with adequate details, as relevant, such as required format, number of pages, amount of reading, number of meetings, expected completion date(s), etc.	Y N	
Deliverables and assessment are clear and acceptable	Y N
