

Southwest Florida Autism Community Needs Assessment

Are you a primary caregiver for a person(s) with autism? Are you a service provider for individuals with autism? If so, you are invited to participate in a research study being conducted by the Community Autism Network at Florida Gulf Coast University (**CAN@FGCU**) about the needs of caregivers and service providers working with individuals with autism. The goal of this research study is to inform service development and research needs in our community.

At the end of each survey, you will be given the chance to enter a drawing to win one of three \$50 Amazon gift cards. You may also choose to volunteer to participate in a follow-up focus group.

Caregivers/Parents/Guardians, to begin the survey, please use this link:

https://fgcumchhs.iad1.qualtrics.com/jfe/form/SV_2cxnsX19FLhI4qq

or this QR code:

There is a drop-down menu at the upper right corner of your screen. Please use it to select English or Spanish. It should take you approximately 20 minutes to complete and your responses will be held in confidence.

Service Providers, please use this link: https://fgcumchhs.iad1.qualtrics.com/jfe/form/SV_bsjVdWITFgZ3wJE

or this QR code:

It should take you approximately 10 minutes to complete and your responses will be held in confidence. Thank you for helping to support the autism community in Southwest Florida!
