Assignment Password

Your instructor has created a password for this assignment. Enter it below to request authorization.

Submit Password

2. Click Submit Password
7. Complete the Trigonometry and Elementary Functions [TAEF] exam.
 1. Do not move outside the Mobius exam window or the test will be halted. If the test does not resume, please contact us to fix the issue
 2. Once you finish the exam, the testing window should close by itself. You can exit out of Honorlock.

If you need assistance with Honorlock please visit their [Support](#) page.

Student Instructions:

- This is a closed note exam. Using your e-book or textbook **is not allowed**.
- Cell phones, tablets, laptops, smart watches, and any other electronic devices **are not allowed**.
- You may use two sheets of scratch paper. Make sure to show your entire work area during the room scan.
- You must remain in front of your computer for the duration of the exam. Bathroom breaks are allowed.

Testing Area:

- Lighting in the room must be bright enough to show the student's face and surrounding area in a clear and detailed manner.
- Be sure the desk or table is cleared of all other materials. This means the removal of all books, papers, notebooks, calculators, etc. unless specifically permitted in posted guidelines for that examination.
- Students must show work area as well as the entire room during the room scan.
- No visible writing on desk or on walls.
- All other programs and/or windows on the testing computer must be closed prior to logging into the proctored test environment.
- Loud music, television, or other distractions playing in the background are prohibited.
- No other persons or parties aside from the exam taker should be permitted near the testing environment, and all communication between exam taker and third parties is prohibited.
